NATIONAL ORDER OF THE ARROW
TRAIL CREW
Philmont Scout Ranch – Cimarron, New Mexico
<http://adventure.oa-bsa.org>

"The Order of the Arrow is a thing of the out of doors rather than the indoors. It was born in an island wilderness. It needs the sun and rain, the woods and the plains, the waters and the starlit sky."

- E. Urner Goodman

THE BACKCOUNTRY EXPERIENCE OF A LIFETIME

The Order of the Arrow is offering you an opportunity to join other Arrowmen in cheerful service and the formation of lasting brotherhood on the trails of Philmont Scout Ranch. Under the direction of the Philmont Conservation Department, experienced Philmont staff members with strong Order of the Arrow backgrounds will lead participants on the two week trail crew and trek.

The program is a fourteen-day experience. The first week focuses on trail construction and maintenance under the guidance of Philmont trail crew foremen. The second week is a seven-day backpacking trek that is designed by the participants. The program is not simply building trail and hiking through, the OA Trail Crew is ultimately a journey that challenges Scouts mentally, physically, and spiritually.

Trail building is tough. The worksite experience is full of long, strenuous days requiring a great deal of physical effort. Participants are expected to work with great diligence as the trail that is being built is designed to last over 75 years and protect the beautiful landscape of Philmont Scout Ranch. Other than trail building techniques, Scouts will strengthen their leadership skills, learn advanced wilderness and low-impact camping skills, observe and participate in group wilderness safety, good judgment, and motivation activities, and receive special OA instruction. The project's mission is to maintain, reinforce, and enhance the purpose of the Order of the Arrow by using Scout camping traditions. Participants are expected to use their experience to benefit their troop, chapter, lodge and council programs. Camping is a method of Scouting that enhances and builds stronger programs and people.

REQUIREMENTS

- Be at least 16 years old the day your program begins, but not 21 by its conclusion.
- **Be physically fit**, able to lift and handle materials up to 50 lbs. (Philmont height and weight guidelines listed in this application will be strictly enforced.)
- Be a registered member of both the BSA and a local OA lodge.
- A complete physical examination is required. (Philmont's Health and Medical Record will be sent to those

who are accepted.)

No exceptions can be made to these requirements. Selection for this program is competitive and is both an honor and a privilege.

Mail your completed application and \$50.00 deposit to the Order of the Arrow, Boy Scouts of America, P O Box 152079, Irving, Texas, 75015-2079. The Order will begin notifying applicants of acceptance by March 15, 2010. Following receipt, a packet of materials will be sent to you in preparing you for your experience at Philmont. Applications will continue to be accepted after March 15 until all slots are filled.

LODGE AND COUNCIL RESPONSIBILITIES

Lodges and councils should only approve those youth Arrowmen who meet all of the qualifications for this program. Philmont is not an easy experience and is a risk for those not physically prepared for the rigors of the New Mexico mountains.

The balance of the fee is due at the time of acceptance as a participant in the program. Additional expenses, including travel to and from Philmont as well as miscellaneous purchases, are the responsibility of the participant. Those applicants not accepted as participants in the program will have their deposit returned. Participants canceling acceptance will be eligible for a refund if notification is received in the National BSA Office by May 15, 2010. No-shows are not eligible for a refund. RISK ADVISORY - PHILMONT SCOUT RANCH

Philmont has an excellent health and safety record with over 880,000 adults and young people having attended since 1938. Philmont strives to minimize risks to participants and advisors by emphasizing proper safety precautions. Most participants in Philmont programs do not experience injuries because they are prepared, are conscious of risks, and take safety precautions. If you decide to attend Philmont, you should be physically fit, have proper clothing and equipment, be willing to follow instructions and work as a team with your crew and take responsibility for your own health and safety. For further information please thoroughly read the *Guidebook to Adventure*. Like other wilderness areas, Philmont is not risk free and you should be prepared to listen to safety instructions carefully, follow directions and take appropriate steps to safeguard yourself and others.

Parents, guardians and potential participants in Philmont programs are advised that journeying to and from Philmont, and one's stay at Philmont, can involve exposure to accident, illness, and/or injury associated with a high elevation, physically demanding, high adventure program in a remote mountainous area. Campers may be exposed to occasional severe weather conditions such as lightning, hail, flash floods and heat. Other potential problems include: injuries from tripping and falling, motor vehicle accidents, worsening of underlying medical conditions such as diabetes or asthma, heart attacks, heat exhaustion and falls from horses.

Philmont's trails are steep and rocky. Wild animals such as bears, rattlesnakes and mountain lions are native and usually present little danger if proper precautions are taken. Please refer to the *Guidebook to Adventure*, speak with previous Philmont participants, or call Philmont for further information concerning risks and measures which can be taken to avoid accidents. Philmont has staff trained in first aid, CPR and accident prevention, and is prepared to assist in recognizing, reacting, and responding to accidents, injuries and illnesses. Each crew is also required to have at least one member trained in wilderness first aid and CPR. Medical and search and rescue services are provided by Philmont in response to an accident or emergency. However, response times can be affected by location, weather or other emergencies and could be delayed six (6) or more hours.

PHILMONT WEIGHT LIMITS FOR BACKPACKING AND HIKING

Each participant in a Philmont trek must not exceed the maximum acceptable limit in the weight for height chart shown below. The right hand column shows the maximum acceptable weight for a person's height in order to participate in a Philmont trek. Those who fall within the limits are more likely to have an enjoyable trek and avoid incurring health risks. Every Philmont trek involves hiking with a 35-50 lb. backpack between 6,500 and 12,500 ft. elevations. Philmont recommends that participants carry a pack weighing no more than 25-30% of their body weight.

Participants 21 years and older who exceed the maximum acceptable weight limit for their height at the Philmont medical recheck WILL NOT be permitted to backpack or hike at Philmont. For example, a person 70 inches tall cannot weigh more than 226 lbs. All heights and weights will be measured in stocking feet.

For participants under 21 years of age who exceed the maximum acceptable weight for height, the Philmont physicians will use their best professional judgment in determining participation in a Philmont trek. Participants under 21 years of age are strongly encouraged to meet the weight limit for their height. Exceptions are not made automatically and discussion in advance with Philmont is required regarding any exception to the weight limit for persons under 21 years of age, whether it is over or under. Philmont will consider up to 20 lbs. over the maximum acceptable as stated on the chart, however, the exception will never exceed 295 lbs. Philmont's phone number is 575-376-2281.

The maximum weight for any participant in a Cavalcade Trek and for horse rides is 200 lbs. **Under no circumstances will any individual weighing more than 295 pounds be permitted to participate in backcountry programs.** This requirement is necessary because of limitations of rescue equipment and for safety of search and rescue personnel.

Individuals who do not meet Philmont's weight for height requirements will not be allowed on the trail and will be sent home.

PURPOSE OF THE ORDER OF THE ARROW

To recognize those campers – Scouts and Scouters – who best exemplify the Scout Oath and Law in their daily lives and by such recognition, cause other campers to conduct themselves in such manner as to warrant recognition.

To develop and maintain camping traditions and spirit.

To promote Scout camping, which reaches its greatest effectiveness as a part of the unit's camping program, both year-round and in the summer camp, as directed by the camping committee of the council.

To crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

OUR VISION FOR THE ORDER OF THE ARROW

To be recognized as Scouting's National Honor Society and an integral part of every council. Our service, activities, adventures, and training for youth and adults, are model of quality leadership development and programming that enrich, support, and help extend Scouting to America's youth.

OUR STRATEGY: INCREASED SERVICE

In support of our vision to be recognized as Scouting's National Honor Society and an integral part of every council, the Order of the Arrow (OA) intends to dramatically increase the level of service we provide to councils and to the national organization. We intend to do more, much more, to help the Boy Scouts of America fulfill its mission to serve our nation's youth.

In the years ahead we will expand our reach beyond camping to include greater focus on leadership development, membership extension, adventurous programming, and broader service to Scouting and the community.
